

## The Inescapable “Power & Politics”

**You will have to navigate forces of organizational politics & power that you have no control over**

Have you ever ...	Would you like to ...
<ul style="list-style-type: none"> <li>⊙ Felt your career is being held back because “it’s not what you know – it’s who you know”?</li> </ul>	Understand different <b>political behaviours</b> and how they can be read
<ul style="list-style-type: none"> <li>⊙ Been fed up or tired of fighting over resources?</li> </ul>	Be able to spot different <b>political games</b> people play at work
<ul style="list-style-type: none"> <li>⊙ Felt sometimes that “nice people” come last around here?</li> </ul>	Understand <b>why</b> people use power & politics at work
<ul style="list-style-type: none"> <li>⊙ Felt that just when people started asking for your opinion – they made the decision anyway?</li> </ul>	Discover what type of <b>political animal</b> you are
<ul style="list-style-type: none"> <li>⊙ Wished that people would just stop playing politics and get on with the job?</li> </ul>	Know how <b>becoming politically smart</b> can be aligned with your principles and values
	Know how you can <b>begin to apply tools</b> to change the “game”
